On the rides of about 2 hours each in the mornings and in the afternoons you discover the area around the ranch, have fantastic views over the Costa del Sol and the coasts of Africa, you cross vales with flourished oleander and eucalyptus trees. For lunch you come back to La Paz and in summer you have the swimming pool for a refreshing “siesta”.

By bookings of one week you have a two-days-trail included (minimum 4 clients). You start after breakfast with the horses to cross the mountains in the shadow of the pine trees to get to the interior. On the way you have fantastic overviews of the Costa del Sol, Sierra Nevada and all the white towns inland. The horses stay in Alhaurin for the night but you drive back for dinner and overnight at La Paz.(riding time about 5 hours) The next day you follow pathways and small rivers back to the ranch with a saddlebag picnic on the way.(riding time about 6,5 hours).

Experienced riders can book a ride at the Atlantic beach directly at La Paz (Euro 70,- / person; minimum 6 clients):

As it is not allowed to ride on the beach at the Costa del Sol we drive over to the Atlantic. In the morning we load the horses and you drive with a minibus along the Costa del Sol, cross Marbella, Estepona, the historic rock of Gibraltar and by good weather enjoy fantastic views over the costs of Africa. You cross Tarifa, the southernmost point of Europe and come to Barbarte. Here you start your ride on the sandy opened beach with views on the costs of Africa. Except during the summer months you will just cross by some local fishers and cows enjoying the warm sand. In Zahara de los Atunes, one of the oldest fisher towns around with a long tradition of tuna fish, you have a rest to refresh a bit before you enjoy again the sandy beach
